

**VILLAGE OF ARENA
PRIVATE WELL OPERATION APPLICATION AND PERMIT**

Well Owner Name: _____

Street Address/P.O. Box: _____

Primary Use: _____

Construction type, size and depth of well: _____

Please attach copies of the following information to this application:

1. A legal description of the property on which the well is located.
2. A well constructor's report on file with the Department of Natural Resources, or certification of the acceptability of the well granted by the Private Water Supply Section of the Department of Natural Resources.
3. A statement as to why the well is necessary in addition to the water supply currently provided by the Village.
4. Evidence that the well has a history of producing safe water and presently produces safe water as evidenced by a safe Bacteriology Report from a state certified laboratory on a well sample taken within three months of the date of this application.

I hereby certify that the above information and attached information are true and correct to the best of my knowledge. I also certify that no physical connection exists between the well identified in this application and the piping of the Village Water Supply system.
