US 14 Improvement Project

Oak Street to Walter Road, Arena to Mazomanie
Dane and Iowa Counties
Project ID: 1640-03-06/76

Greetings:

The Wisconsin Department of Transportation (WisDOT) will host a public meeting to present proposed improvement to US 14 between Oak Street in Arena in Iowa County and Walter Road in Mazomanie in Dane County.

Place: Arena Village Hall, 345 West St, Arena, WI 53503

Date: Tuesday, May 9, 2023

Time: 5:00 p.m. – 7:00 p.m.

Exhibits will be on display for you to review starting at 5:00 p.m. In addition WisDOT representatives will be available to discuss and answer questions. Project materials and a comment form are posted on the design website for this project at wisconsindot.gov and search "US 14 (Oak Street to Walter Road)" and select the first link. Otherwise, the website address is wisconsindot.gov/Pages/projects/by-region/sw/us14-mazomanie/default.aspx.

The primary objectives for this project are to address deteriorating pavement condition, improve the decreased ride quality on US 14, and to extend the service life of two box culvert structures.

Temporary limited easements and permanent right of way are needed for the box culvert extension. Construction is currently scheduled for 2030 but could be as early as 2025 if funding is available. US 14 traffic will be maintained during construction with flagging operations.

To ensure the project stays on schedule, please forward your comments by phone, email, or mail at the addresses provided below by June 23, 2023. Thank you for your time and attention to this matter.

Sincerely,

Steve Porter
