

EMERGENCY NOTICE

BOIL WATER ADVISORY EFFECTIVE IMMEDIATELY 2/1/23

BUTLER WATER DEPARTMENT ADVISES RESIDENTS TO BOIL WATER

A Water Main break caused a loss of water pressure in the Butler Water Department water distribution system, in the area(s) listed below. The loss of pressure could have allowed contamination to enter the water distribution system.

Residents are advised to boil their water before consumption until further notice. Boil the water for at least 5 minutes and allow it to cool before drinking the water.

The areas affected by the boil advisory are:

All addresses in the 400 Block of Depot Street and West Erie plus the addresses on Federal Avenue between Depot and West Erie.

Your cooperation is appreciated. Please contact the Utility Office at 868-5881 if you have any questions.

**Advisory Issued by
Eric Dohner, City Superintendent
(260)868-5881**
