Please go to the podium to comment. Please state your name and whether you live inside the City limits. Please address your comments to the City Council.

Note that we will not be entering into dialogue at this time. The purpose of this agenda item is for YOU, the public, to inform US, the Council, about your views. Please leave your contact information with the Clerk for any follow-up responses. Please address the Council in a respectful and courteous manner. If members of the public have factual questions, staff may be able to address them.
