Public Comment Procedures

Public Comment is a time for citizens to offer comments on agenda and non-agenda items. We welcome your comments which are very important to us. Please note that all comments are limited to three minutes. Those in attendance cannot "give" their three minutes to another person, thus allowing someone to speak longer than three minutes.

Please go to the podium to comment. Please state your name and whether you live inside the City limits. Please address your comments to the City Council.

Note that we will not be entering into dialogue at this time. The purpose of this agenda item is for **YOU**, the public, to inform **US**, the Council, about your views. Please leave your contact information with the Clerk for any follow-up responses. Please address the Council in a respectful and courteous manner.

If members of the public have factual questions, staff may be able to address them.
