Galesburg Historical Museum has broke ground on their expansion project!! On August 25, 2026 the community gathered around Keith Martin and Mary Scott as they took to their shovels to break ground as he welcomed Premier Building & Remodeling (PB&R) to begin the monumental moment for this museum. Please be advised the museum will be closed until the construction has been completed.

Charleston Township Hall is recycling tires on Saturday, October 17, 2026 from 1pm until 5pm. They are located at 1499 S. 38th Street, Galesburg. This event is free to residents. Tires with rims will be accepted, but no Bobcat or forklift tires will be accepted.

With school being back in session now, we ask that everyone please be aware of the buses as they are picking up and dropping off the kids. When the **STOP** sign is out and flashing, do as it says to keep the kids safe.

"We're growing in the right direction."

Bulk Trash Drop Off Day
