IN RE:

) Case No. 22 MIS 18
)
)

**OHIO DEPARTMENT OF
NATURAL RESOURCES -
DIVISION OF WILDLIFE**

) **ADMINISTRATIVE**
) **JUDGMENT ENTRY**
)

The Court finds that it is the practice of the Ohio Department of Natural Resources – Division of Wildlife to seek a court order for the disposal or destruction of certain types of seized evidence, such as litter, wildlife and fish, involving cases filed in the Conneaut Municipal Court.

The Court further finds that the orders for disposal or destruction are primarily issued in cases which are resolved with the payment of a waiver, such waiver constitutes a plea of guilty and finding of guilt.

The Court finds further that, to allow for the efficient operation of the Court, a standing administrative order should be issued permitting the Ohio Department of Natural Resources – Division of Wildlife to dispose of or destroy evidence seized, such as litter, wildlife and fish, in cases filed in this Court where the case was resolved with a waiver, only after thirty (30) days have elapsed from the date the waiver was docketed.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED that the Ohio Department of Natural Resources – Division of Wildlife is hereby permitted to dispose of or destroy evidence seized, such as litter, wildlife and fish, in cases filed in this Court where the case was resolved with a waiver, only after thirty (30) days have elapsed from the date the waiver was docketed.

IT IS SO ORDERED.

Nicholas A. Iarocci, Judge
