

The Great Spirit created Man and Woman in his own image. In doing so, both were created as equals. Both depending on each other in order to survive. Great respect was shown for each other; in doing so, happiness and contentment was achieved then, as it should be now.

The connecting of the Hair makes them one person; for happiness or contentment cannot be achieved without each other.

The Canyons are represented by the purples in the middle ground, where the people were created. These canyons are Sacred, and should be so treated at all times.

The Reservation is pictured to represent the land that is ours, treat it well.

The Reservation is our heritage and the heritage of our children yet unborn. Be good to our land and it will continue to be good to us.

The Sun is the symbol of life, without it nothing is possible - plants don't grow - there will be no life - nothing. The Sun also represents the dawn of the Hualapai people. Through hard work, determination and education, everything is possible and we are assured bigger and brighter days ahead.

The Tracks in the middle represent the coyote and other animals which were here before us.

The Green around the symbol are pine trees, representing our name Hualapai - PEOPLE OF THE TALL PINES -

Chairwoman Benson Appreciation

June 23, 2025

I'm writing to you with immense pride and gratitude as we are approaching a very special day. As many of you know, this week marks the birthday of our beloved former Chairwoman, Louise Benson. Her untiring dedication and profound accomplishments have left an indelible mark on our community, shaping the future of the Hualapai people for generations to come.

Chairwoman Benson's leadership, often in challenging times, exemplified true courage and a deep commitment to the well-being of the People of the Tall Pines. Chairwoman Benson tirelessly worked to ensure our prosperity, and her vision continues to guide us. More than just a leader, she has been a powerful role model and an inspiration to countless individuals who have served or aspire to help our community thrive.

Therefore, it is with great honor that our administration acknowledges and set this Thursday, June 26th, as Chairwoman Benson Day. This day will serve as recognition of her extraordinary contributions and tireless dedication.

Let's celebrate this recognition together by pledging ourselves to civic unity. I encourage each of us to the simple acts of community pride, such as picking up litter around our beautiful lands. These small actions reflect our collective respect for one another and our shared commitment to the Hualapai community.

Thank you, Chairwoman Benson, and know your service to our community is forever appreciated, have a Happy Birthday!

Hank
