Street Parking

There is **NO PARKING** on
any Village streets between
12 a.m.— 6 a.m. This applies
year round, but is extremely
important as the snow flies.
Parking on the street
overnight prevents our DPW
staff from properly plowing our streets. Cars parked
on the streets between these hours will be ticketed!

*Safe way to school sidewalk clearing is underway!
Please be sure your sidewalks are clear of debris.*

located within the boundaries of the
Kent City Downtown Development
Authority for the purpose of renovation
and upgrade to the façade on existing
buildings.

NO WIPES IN THE PIPES!!

Just because a product is marked disposable or flushable does not mean it won't play havoc with your sewer system. All across the U.S., communities are experiencing serious back ups that are attributed to an increase in wipes, napkins, feminine products or paper towels being flushed. This is leading to serious maintenance problems and costly backups.

Our advice is to **KEEP THE WIPES OUT OF THE PIPES!!!**

Use them....but don't flush them!
