

The Friends of the MacDonald Public Library's mission is to promote and support the library programs.

These activities are possible with the support of our Friends members and their work with fundraisers, the book sale, and accepting donations. You can be part of the legacy of the Friends and MPL by joining us!

The Friends of the Library meet on odd months at 7:00 p.m. in the MPL Community Room. You can also support the Friends with Kroger:
<https://www.kroger.com/i/community/community-rewards>
