--------------------------	--------

Benevolent, approved non-profit organizations, and approved governmental agencies shall be exempt from fees.

***Owner may apply for a veteran annual permit fee waiver as per the California Business and Profession

Refunds may be made for any fee erroneously paid or collected. Refunds may be made for services not rendered. Application fees and annual permit fees are non-refundable.

All fees not payed 60 days from date of invoice are subject to penalty and/or collection service submission.

The waiver of fees, late fees and the establishment of payment plans shall be the sole decision of the Environmental Health Director and shall be determined on the circumstances presented to the Director on a case by case basis. The decision by the Director is final and not subject to appeal.
