

Agenda Commentary

Meeting Date: June 10, 2021
epartment: Administration Contact: Cynthia Northrop
genda Item: H. Discussion and any necessary action regarding Council Priorities for FY 2021-2022 Budget
ype of Item:OrdinanceResolutionContract/AgreementPublic HearingPlatXDiscussion & DirectionOther
ummary-Background: Wise County Appraisal District has released the preliminary tax information. The ty of Rhome's Preliminary Taxable Value is \$173,254,967. We are showing a slight increase, which is ositive news considering last year's increase was relatively flat. Wise CAD is scheduled to release Certified alues July 26, 2021.
epartment Heads have submitted their initial budget requests. As a reminder, initial direction from buncil was to keep a relatively flat budget. However, increases are to be expected as the cost of doing usiness, increased growth and increases in both M&O and I&S have to be accommodated.
will be meeting with DH over the next few weeks to refine. Additionally, our financial software allows for budget preparation module and this is the first year we will be incorporating into the budget reparation, which initially will take more time, similar to when we initially onboarded the STW software 2019-2020.
s always, the first budget review with Council on July 8, 2021, will be based on Preliminary Estimates and buld go up or down depending on Certified Values.
raff is seeking direction on Council priorities (see ppt).

Meeting Date: June 10, 2021
Department: Administration Contact: Cynthia Northrop
A. Agenda Item: K. Discussion and any necessary action regarding an amendment to the Quorum Contract
Type of Item:OrdinanceResolution _XContract/AgreementPublic HearingPlatDiscussion & DirectionOther
Summary-Background:
Council previously selected an architect (Quorum) for the design of the Municipal Complex Bond (2020) as well as amending the contract to include the Fire Department façade and Community Center upgrades. While most of the design has been paid for (approximately \$200,000), the Council made the decision to roll the civil engineering and final documents (bidding, negotiation, construction services) into the bond after the election, however, the bond failed.
During the May 27, 2021 Council meeting, Council approved the pursuit of a General Obligation bond for the Municipal Complex with revisions; namely removing the Fire Department façade and adding code compliance items for Fire Station and Public Works in addition to finishing out the Downtown -105 First Street property (historic bank building/Old City Hall) as shell.
In the interest of time and recognizing that procuring architectural professional services entails identifying the best qualified (Quorum has been identified as the best qualified and already performed the majority of the design work needed) and then negotiating the proposal, Quorum's attached proposal details the changes Council approved in advance of pursuing a General Obligation bond for the revised Municipa Complex project in November 2021. This will facilitate preparation for the August deadline for the bond election.
Funding Expected:RevenueExpenditureN/A
Budgeted Item:YesNoN/A
Funding Account: Amount:
Legal Review Required:N/ARequired Date Completed:
Supporting Documents attached: Yes – Quorum Proposal Letter
Recommendation: Authorize the City Administrator to negotiate and execute an agreement with Quorum in an amount not to exceed \$230,350 to complete the basic design services for the proposed revisions to the Municipal Complex and Old City Hall as approved by the City Council at its May 27, 2021 meeting.

June 10, 2021

Cynthia Northrop City Administrator City of Rhome 501 S. Main Street Rhome, Texas 76078

RE: Rhome Municipal Complex – Revisions

Fire Department – Code Required Updates Public Works – Code Required Updates Downtown / Old City Hall - Renovations

Quorum No: 19076.02

Dear Cynthia,

We are pleased to respond to your request for a proposal for Architectural Services for the Rhome City Hall Revisions and code required updates on the Fire Department and Public Works facility, located at 261 School Road, Rhome, Texas 76078. The revisions to the City Hall are requested by City Council to reduce the overall cost estimate based on previous conversations, refer to attached drawing. Code updates for the Fire Department and Public Works facility as noted by Rhome's third party inspector, Jimmy Ross, refer to attached code update comments. This proposal will also include survey and design services for the Downtown / Old City Hall renovations

- A. Municipal Complex City Hall Complex Revisions Quorum Architects will work with staff to discuss value engineering options. Preliminary design will incorporate these revisions for City's final approval of floor plan. Once approved, Architect will enter Final Design with civil and MEP engineers to modify all construction documents (drawings and specifications)
- B. Fire Department Code Required Updates Quorum Architects will draft complete building background of the Fire Department to use for Final Design. Architect will meet with staff to discuss final scope of work. For current scope of work, refer to attached code inspection report from Jimmy Ross. Additional services may be required, if scope of work increases. Construction Documents consisting of Drawings and Specifications setting forth the requirements for the construction of the project. The Architect shall advise the Owner of any adjustments to previous preliminary estimates of Construction Cost indicated by changes in requirements or general market conditions. The Architect shall assist the Owner in preparation of the necessary bidding information, bidding forms, the Conditions of the Contract, and the form of Agreement between the Owner

and Contractor. It is anticipated that the Owner will utilize a Competitive Sealed Proposal process for bidding and construction. Architect will assist in permit application and submission with final permit being obtained in the name of the selected general contractor

- C. Public Works Code Required Updates Quorum Architects will draft complete building background of the Public Works facility to use for Final Design. Architect will meet with staff to discuss final scope of work. For current scope of work, refer to attached code inspection report from Jimmy Ross. Additional services may be required, if scope of work increases. Construction Documents consisting of Drawings and Specifications setting forth the requirements for the construction of the project. The Architect shall advise the Owner of any adjustments to previous preliminary estimates of Construction Cost indicated by changes in requirements or general market conditions. The Architect shall assist the Owner in preparation of the necessary bidding information, bidding forms, the Conditions of the Contract, and the form of Agreement between the Owner and Contractor. It is anticipated that the Owner will utilize a Competitive Sealed Proposal process for bidding and construction. Architect will assist in permit application and submission with final permit being obtained in the name of the selected general contractor
- D. Downtown / Old City Hall Renovations Preliminary Design: Architect will create background for both building and site. Civil engineer will produce a boundary/topography survey. Quorum will meet with City for final scope of work and provide Preliminary Design for the City's approval. During final design, Quorum Architects will complete construction documents. Construction Documents consisting of Drawings and Specifications setting forth the requirements for the construction of the project. The Architect shall advise the Owner of any adjustments to previous preliminary estimates of Construction Cost indicated by changes in requirements or general market conditions. The Architect shall assist the Owner in preparation of the necessary bidding information, bidding forms, the Conditions of the Contract, and the form of Agreement between the Owner and Contractor. It is anticipated that the Owner will utilize a Competitive Sealed Proposal process for bidding and construction. Architect will assist in permit application and submission with final permit being obtained in the name of the selected general contractor

COMPENSATION

Compensation for Basic and Special Services as described herein is proposed to be a lump sum fee as described below, invoiced on percent complete each month:

110.00

- 6. Additional Services (Optional) If there is a request to expand the scope of Basic Services, or to include Additional Services in the future, the fee will be negotiated based on the specific scope. This may include, but not be limited to, additional renderings and videos, additional insurance if required by the Client, detailed cost projections beyond architectural summaries, fees paid for approvals of authorities having jurisdiction, permitting, audio visual design, and LEED Compliance, revisions to previously approved work, offsite hydrological & hydraulic analysis. Additional Services work shall not be completed until approved by the Owner.
- 7. Payments shall be made within 30 days of receipt of invoice. Accounts unpaid 30 days after the invoice may be subject to a monthly service charge of 1.5% (or the legal rate) on the then unpaid balance.

OWNER RESPONSIBILITIES

1. Owner shall provide copies of any pertinent information, which affects the property including, but not limited to, information on hazardous materials, flood information, code and zoning, and building systems conditions. Owner will continue to coordinate with TCEQ regarding construction over landfill and communicate the requirements to the Architect.

ADDITIONAL INFORMATION

- 1. Quorum Architects, Inc. will provide the Owner with architectural services as required and agreed upon for satisfactory and normal completion of this project. The Architect shall exercise usual and customary professional care in his efforts to comply with those laws, codes, ordinances, and regulations, which are in effect as of the date of this agreement.
- 2. The Architect and its Consultants shall have no responsibility for the discovery, presence, handling, removal or disposal of or exposure of persons to hazardous materials in any form at the Project site. The Owner shall obtain a hazardous material evaluation, prior to beginning any demolition on site.
- 3. In performing Architectural Services, the Architect will to use that degree of care and skill ordinarily exercised under similar circumstances by competent members of the architecture profession. Notwithstanding compliance with this standard of care, the City can normally anticipate that some changes and adjustments in the project will be required either during or after construction. The City agrees to establish a construction contingency fund of no less than 5% of the estimated construction cost to cover the reasonably anticipated costs of these changes and adjustments as well as, changes due to code revisions and field conditions.
- 4. Texas law requires registrants to provide all clients with the following written statement: "The Texas Board of Architectural Examiners, P.O. Box 12337, Austin, Texas 78711-2337 or 333 Guadalupe, Suite 2-350, Austin, Texas 78701-3942, (512) 305-9000, has jurisdiction over individuals licensed under the Architect's Registration Law, Texas Civil Statutes, and Article 249a".`

Should you have any questions or additional concerns, please feel free to contact us at your convenience. Thank you for trusting Quorum Architects, Inc. to assist you in this endeavor.

Kincolousky Kim Dowdy, Principal Quorum Architects, Inc.

Sincerely,

City of Rhome	Date

GENERAL NOTES - FLOOR PLAN

A. DIMENSIONS AS SHOWN ARE TO FACE OF STUD, CMU OR FACE OF BRICK, CONCRETE, UNLESS NOTED OTHERWISE (UNO).

B. PROVIDE IN WALL BLOCKING FOR ALL CABINETS, TOILET ACCESSORIES, AND OTHER WALL MOUNTED ITEMS.

C. CONTRACTOR SHALL COORDINATE SIZE, LOCATION, AND CHARACTERISTICS OF ALL WORK, EQUIPMENT, AND ITEMS SUPPLIED BY THE OWNER, OR OTHERS, WITH THE SUPPLIER PRIOR TO THE START OF THE RELATED WORK.

D. WARP ALL EXTERIOR PAVEMENT AT DOORWAYS TO FINISHED FLOOR WITH SLOPE NOT EXCEEDING 1.5% FOR 5' IN EACH DIRECTION.

E. COORDINATE ALL LIGHTING, DUCTS, DIFFUSERS, SOLATUBES AND ROOF PENETRATIONS WITH MEP DRAWINGS TO AVOID CONFLICT WITH STRUCTURE, AND OTHER BUILDING SYSTEMS.

F. PROVIDE A RECESSED MOUNTED KNOX BOX WITH AN ALARM TIMER SWITCH. TAMPER SWITCH MUST BE WIRED INTO FIRE ALARM PANEL OR BURGLAR ALARM PANEL.

J. GC TO COORDINATE ALL CONTROL JOINTS/PAVING AT DOOR

H. PROVIDE GYP. BD. FURR OUT AROUND ALL EXPOSED STEEL STRUCTURE. FIELD COORDINATE EXACT SIZE OF FURR OUT. HOLD TIGHT TO STRUCTURE.

I. WHERE FLOOR DRAINS (FD) ARE SHOWN SLOPE FLOOR IN ROOM TO FLOOR DRAIN. COMPLY WITH TDLR FOR MAX SLOPES.

J. ALL MASONRY WALLS SHALL BE REINFORCED WITH STEEL PER THE SPECIFICATIONS AND/OR STRUCTURAL DRAWINGS. ADDITIONAL COST WILL NOT BE AWARDED FOR MASONRY WALL REINFORCEMENT.

K. DO NOT SUSPEND ANY ITEMS FROM BOTTOM OF JOIST CHORD, HORIZONTAL BRIDGING, X-BRACING, PIPING OR CONDUITS. ALL ROOF LOADS EXCEEDING 150 LBS SHALL BE SUBMITTED TO ARCHITECT AND STRUCTURAL ENGINEER FOR REVIEW.

L. ALL EXPOSED WALL MOUNTED CONDUITS, BUS GUTTERS, JUNCTION BOXES, PANEL BOXES, METERS, PIPES, ETC ARE TO BE THREE (3) COAT PAINTED WITH COLOR TO BE SELECTED BY THE ARCHITECT. ALL EXPOSED CONDUIT PIPES, JUNCTION BOXES, ROOF SCUTTLES, ETC ABOVE THE ROOF BOTH IN MID FIELD AREAS AND ON BACKS OF PARAPETS ARE TO BE THREE (3) COAT PAINTED. COLOR TO BE SELECTED BY ARCHITECT.

M. UNLESS OTHERWISE INDICATED, EACH SUBCONTRACTOR AND GENERAL CONTRACTOR IS RESPONSIBLE FOR ADEQUATELY BRACING AND SUPPORTING ALL ITEMS FROM THE ROOF STRUCTURE FOR GRAVITY LOADS AND TO RESIST SEISMIC MOVEMENT AS REQUIRED BY ALL APPLICABLE CODES (ANY BRACING WITH A SIGNIFICANT VISUAL IMPACT IS SUBJECT TO ARCHITECT FOR APPROVAL).

N. CONTRACTOR IS RESPONSIBLE FOR PROVIDING HINGED ACCESS PANELS AT ALL LOCATIONS REQUIRING ACCESS TO MEP ITEMS REGARDLESS AS TO WHETHER THEY MAY BE SPECIFICALLY IDENTIFIED ON THE CONSTRUCTION DOCUMENTS. CONTRACTOR IS REQUIRED FOR COORDINATING ALL ACCESS PANEL LOCATIONS FOR DRYWALL, TILE, E.I.F.S. AND PLASTER WORK WITH ALL
