Guests:

CCRPC representative:

Corin Blanchard was unavailable to meet with the board. We will try to reschedule.

Town Plan update:

Work continued on the Town Plan with Brandy Saxton from PlaceSense. The board worked on Section 5 of the plan entitled "Our Town's Future".

Town Center:

Barbara Young who owns Sunrise Tavern met with the board to discuss potential options for the building as well as the little red school house which is located nearby. There was much enthusiasm for preservation of these buildings as well as others located in the Town. Several ideas were discussed and it was decided that a historic preservation committee was needed to research ideas further. The committee would be a sub-committee of the Planning Commission. Two members from the board, Connie Kendall and Scott Baker agreed to join this committee along with Barbara Young. They will seek additional members and report their findings and recommendations to the board at a meeting in the future.

J.L. Davis Realty expressed interest in acquiring Town Center property in an email to Tom Carlson. It was decided given the planning underway that it would be unwise to develop any property in the Town Center until work is completed on the Town Plan and bylaws.

Lisa makes a motion to adjourn, Ron seconds, all are in favor.
Meeting adjourns at 9:15 pm.
