Town Plan update:

Work continued on the Town Plan with Brandy Saxton from PlaceSense. The board began work on a draft that contained every section required by Vermont statutes. Over the course of the next few meetings edits and comments from the board will be incorporated with the hope of completing a draft by Town meeting.

Other business / communication:

Historic committee update – On Thursday, October 26th the SGHC will hold its first public hearing to discuss preservation efforts and investigate new opportunities to protect and enhance the Town's historical assets. The meeting is at 7:00 pm in the Town Office.
