## Peck Summer Festival

The Peck Summer Festival Dates have been set for the first weekend in June! The Summer Festival Committee is still looking to add members to its committee! This committee is who is responsible for putting on the Summer Festival you all enjoy so much. Please reach out to a member of the committee to get the details about joining them. Members of this committee are Tim Heiden, Carie Bennett,

## Police Department

Chief of Police, Jeremy Crisenbery is constantly working to keep our department up to date and to keep our community safe. Crisenbery has implemented a new policy regarding citizen complaints. If a citizen is concerned with speeding traffic, running stop signs, requesting radar trailer, or any neighborhood concerns etc, the form needs to be completed and turned in to the Police Department. An Officer will follow up with any complaint completed and turned in at the Village Hall. This policy eliminates word of mouth and reduces fabrication of details. Forms can be obtained at the Village Hall or on our website at [villageofpeck.com](http://villageofpeck.com).

# Meet Your Council

In this section of the newsletter we are going to be introducing you to your Village Council Members over the next few months. These people are your neighbors, your peers and your decision makers. The Village council is consisted of 7 members. It is an odd number for voting purposes, so there is always a tie breaking vote. With 2022 being an election year, 4 members of the council will be up for reelection and/or the seat will be open for new members. If you are interested in becoming a part of your local municipality please reach out to a current member or stop into the Village Hall to go over the details. We look forward to working with you and seeing the changes you can make within your community!

## Tim Heiden

Tim Heiden, a former corrections officer, has been on the Village Council since 2019. He has served his community by being the zoning administrator and serving as a chair on the water committee, DPW committee and has also recently served on the Admin/Legal/Employee Committee. While being on these committees Heiden has implemented the new water meter program and assisted in writing employment contracts and also saved the Village thousands of dollars by

investigating and switching to new insurance companies and new programs for the street lighting.

Many of you have heard that some streets in the Village will be resurfaced in the coming months.

Heiden had applied to a grant which the Village was awarded! Heiden has made big leaps for the Village although he will no longer be on council come April 1st he will still be a big part of the Village as Village Supervisor. Heiden resides in the Village with his wife and two children.

## Spring Clean Up

Many of you have asked, and it has now been scheduled, spring clean up weekend will be **May 13,14,15**. All items that you intend to set out must be out by Monday the 16th. As always the stipulations with the cleanups are as follows: No paint, no tires, no construction materials, carpet should be in 4 ft lengths and rolled, items should be separated by like items, wood, steel etc, No full house cleanouts no landlord cleanouts.

## Brush Pick Up

The Village of Peck offers brush pick up on the first Monday of every month. You may place out by the road brush/yard waste in yard waste bags or in hand able sizes and the DPW will pick up and dispose of for you. This is a free service the Village offers to you. If you have yard waste that was missed during pickup please call the office at 810-378-5131.

The Village of Peck, known as Elk Corners from 1852 – 1903, was incorporated as the Village of Peck on February 26, 1903. The first council meeting was held on April 13, 1903. The story has it that Peck was named after George W. Peck, pioneer lumberman, railroad builder and statesman.

Electricity was installed in the Village in the year 1919. At that time, it was turned on promptly at 4:30 p.m. to 10:30 p.m. except Sunday, when it was on until 11:30 p.m. Finally, in 1925, the council gave permission to the electric company to supply all of Peck.

In 1982 the Village purchased property which was annexed into the Village in order to install three lagoons. It was then required that all residents tap into the sewer system. In 1984 new water lines were installed, requiring all residents to use the Village water system. At this time a new water tank holding 100,000 gallons of water, was purchased along with a system that kept track of how much water was being used.
