Village Supervisor

Some time ago you may have read in the Village Minutes or in the newspaper that the Village of Peck was looking at hiring a Village Supervisor. Interviews were conducted and although there were a few contenders for the position, your admin committee has offered the position to Timothy Heiden. Heiden will assume the position at the new fiscal year April 1, 2022. Congratulations Tim! We look forward to see where you take the Village! Heiden's seat on council will become open for appointment at this time. If interested please send letter of interest to the Village of Peck at P.O. Box 317 Peck, MI 48466

Meet Your Council

In this section of the newsletter we are going to be introducing you to your Village Council Members over the next few months. These people are your neighbors, your peers and your decision makers. The Village council is consisted of 7 members. It is an odd number for voting purposes, so there is always a tie breaking vote. With 2022 being an election year, 4 members of the council will be up for reelection and/or the seat will be open for new members. If you are interested in becoming a part of your local municipality please reach out to a current member or stop into the Village Hall to go over the details. We look forward to working with you and seeing the changes you can make within your community!

Michael MacMillan

Michael MacMillan moved to the Village of Peck in 2009 and was elected to council in 2010 and has held the seat ever since. Deciding to join the Village of Peck's Council was MacMillan's first interest in any political activity. MacMillan is glad that he made the decision years ago to join as it opened his eyes to see all the pieces of the puzzle that it takes to make the Village run. MacMillan resides within the Village with his wife Stephanie and his two children Logan and Leah. Most of Michael's free time is spent with his family doing extracurricular activities. MacMillan's seat will be up for reelection this year.

FREE Gun Locks

The Village of Peck Police Department would like to remind everyone, not just residents, that gun locks are available for **FREE** at the Village Hall. You can take as many as you need. There is no forms to sign when obtaining these. They are self service. Lets keep the communities in which we live safe.

The Village of Peck, known as Elk Corners from 1852 – 1903, was incorporated as the Village of Peck on February 26, 1903. The first council meeting was held on April 13, 1903. The story has it that Peck was named after George W. Peck, pioneer lumberman, railroad builder and statesman.

Electricity was installed in the Village in the year 1919. At that time, it was turned on promptly at 4:30 p.m. to 10:30 p.m. except Sunday, when it was on until 11:30 p.m. Finally, in 1925, the council gave permission to the electric company to supply all of Peck.

In 1982 the Village purchased property which was annexed into the Village in order to install three lagoons. It was then required that all residents tap into the sewer system. In 1984 new water lines were installed, requiring all residents to use the Village water system. At this time a new water tank holding 100,000 gallons of water, was purchased along with a system that kept track of how much water was being used.
