### September 2023

## Utility Billing

The image shows a sample of a Village of Peck Utility Bill. It includes a header with the Village of Peck logo and contact information. The bill is addressed to a customer named "EXAMPLE, J. SMITH" at "12345 MAIN ST, PECK, IL 60153". It lists the billing period as "09/01/2023 TO 09/30/2023" and the amount due as "\$123.45". There is also a section for "Water Usage Chart" showing a graph of usage over time.

The Village of Peck is changing the water bill format. We have had several complaints of residents not receiving their water bills or water bills being returned to us damaged or not. Beginning with the September 2023 water bill the format will be a full page(8x10) sheet mailed in an envelope. The actual bill itself will provide you with more information regarding your water/sewer usage. For example it will reflect a graph of water usage over the past several months. It will also include an announcements section where we can place important messages on your bill. If an account is in shut off status, it will also reflect that in the red section giving you the exact dollar amount and date that amount needs to be paid by to avoid being shut off. If you need assistance/guidance understanding this new bill, please reach out to Angela at the Village Hall at (810)378-5131.

## Back in Session

Peck Community Schools resumes on August 28th 2023. School busses will be out and about trying to get children to and from school safely. Remember yellow flashing lights means to slow down and be prepared to stop. Red flashing lights means you NEED to stop. The red flashing lights on a school bus is not like a red flashing light at an intersection. It does not mean to stop and proceed with caution. The red flashing lights on a bus means you need to stop until they are shut off. Please be mindful when encountering a school bus.

## Homecoming

Homecoming is September 22nd 2023.

Parade will be held at 5:00pm.

Chili and soup dinner will be from 5:00pm to 6:30pm in the cafeteria.

Game time 7:00pm.

# Trunk or Treat

Village of Peck Trunk or Treat

Tuesday, October 31, 2023

5.00PM-7.00PM (during normal trick or treating hours)

Hot dogs will be provided while supplies last.

# Labor Day

The Village Hall will be closed for Labor Day September 4th 2023

To those of you who are utilizing the brush pile by the rec field/lagoon area; that pile is for yard waste ONLY. Do not take old dressers, chairs, headboards, footboards, mattresses, equipment, trash etc to that pile. If you have a large item that needs to be disposed of, you are allowed one larger household item per year at no extra cost, per the contract with the garbage company. If you have more than one large item you will need to contact J&J Disposal to arrange a pick up.

# Movie Nights

## September 15th

Brought to  
you by

Tri-County Bank

2 E Lapeer Rd,  
Peck, MI 48466  
(810) 378-5505

There's a new Chief in town! Many of you know, some may not, Chief of Police Jeremy Crisenbery has resigned from the force earlier in August. The Police Committee has named Officer Rob Major the new Peck Chief of Police under the advice of the then current Chief. Chief Major has worked diligently for the Village of Peck since 2021. Major has been in law enforcement for 9 years and teaches the TEAM program at Peck Community Schools.

Congratulations Chief Major!

The Village looks forward to seeing the changes you make.

### From the desk of the Chief:

If you need to report a crime or wish to file a report please contact Sanilac Central Dispatch at (810)648-2000 ext. 2 and ask to speak with the on-duty Officers. **Dial 911 for emergencies.** We do not respond to Facebook posts of alleged crimes. They must be called in and reported to central dispatch, **not the Village Hall.**

The Village of Peck, known as Elk Corners from 1852 – 1903, was incorporated as the Village of Peck on February 26, 1903. The first council meeting was held on April 13, 1903. The story has it that Peck was named after George W. Peck, pioneer lumberman, railroad builder and statesman.

Electricity was installed in the Village in the year 1919. At that time, it was turned on promptly at 4:30 p.m. to 10:30 p.m. except Sunday, when it was on until 11:30 p.m. Finally, in 1925, the council gave permission to the electric company to supply all of Peck.

In 1982 the Village purchased property which was annexed into the Village in order to install three lagoons. It was then required that all residents tap into the sewer system. In 1984 new water lines were installed, requiring all residents to use the Village water system. At this time a new water tank holding 100,000 gallons of water, was purchased along with a system that kept track of how much water was being used.
