

Selectmen's Meeting
April 26, 2023

Chairman Randy Lessard called the meeting to order at 6:30 pm. Todd Sawyer and Jamie Toohey were present.

Ted Colburn discussed with the board the grant he received for the Town. This grant was for 35 solar panels to be installed in the summer on the building. He told the board that instead of the 35 panels 62 could be installed but a second inverter would be necessary and the town would need to come up with \$12,291. Randy explained that the board was not authorized by the town to spend this money at this time.

Todd made the motion for Deputy Clerk to have a check in the amount of \$16,656.67 for Garbo-Kane (this amount would be 1/3 the cost) to be taken from the grant monies in the Community Resilience Solar account. Jamie seconded the motion. Motion carried 3-0.

Jamie made the motion to request the info for the Newsletter and Facebook accounts from Kelly Halter Schaeffer and to have this information given to CEO John Bell. Todd seconded the motion. Motion carried 3-0.

Meeting Adjourned 7:55 pm

Respectfully Submitted,

Elizabeth A. Becker, Administrative Assistant
