Board Master Plan approval – Shelly stated the Township Board did not vote to approve the Master Plan draft. Members of the Township Board needed more time to read through the Master Plan draft. They are going to write down concerns and submit them to Adam from Wade Trim.

The Planning Commission Board agreed to ask the Township Board Members to send the concerns to Andrew, and he would compile them. The Planning Commission will request a Special Meeting, possibly November 4, to go over all the concerns. Andrew is going to call Adam and discuss the process.
